# RETURN POLICY & WARRANTY:

## Return Policy

Elgee Vacs, Inc offers a 30 day return policy. If your Elgee product does not meet your expectations, please contact Elgee within 30 days from date of original purchase to receive a Return Merchandise Authorization (RMA) number. Customer is responsible to package item and prepare for shipping within 10 days of receiving RMA. Failure to notify Elgee Vacs, Inc of intent to return within 30 days or failure to package for shipment within 10 days of receipt of RMA voids return eligibility.

Your item must be clean and in the same condition that you received it. Bags, batteries, cables, and parts must be boxed and have sufficient packaging materials to protect. Machines must be packed on a standard shipping pallet (48"x40") with handles, dolly platform, hose, etc disassembled, wrapped to prevent damaged, and sufficiently strapped to pallet. Refund will be processed upon Elgee's receipt of product, undamaged and inclusive of all components. Refund will be issued for invoiced price minus shipping and 20% restocking fee. Refund cannot be issued for excessive wear, damage, or missing parts.

## Exchange Policy

Exchanges are not guaranteed. Exchanges will be evaluated on a case by case basis with all shipping and 20% restocking fee paid by customer.

## Elgee Limited Warranty

Elgee Vacs, Inc offers a limited three (3) year warranty on all new, full priced machines, sold after April 15, 2024, unless otherwise noted. This warranty covers manufacturing defects in workmanship and materials, excluding damage or misuse by customer, unauthorized repairs or modifications, and/or normal wear and tear. Elgee does not warranty motors, engines, batteries, chargers, bags, and cords.\* See below for additional manufacturers' warranty info.
